Teacher Professional Development

Engineering = Active Empathy!

Empathy-based Engineering Read-Aloud Prompts
What problems can you see?
Whose problem is it?
Why is it a problem?
Can engineering help solve this problem?
What might an engineer design and build to solve the character’s problem?
How would we know if the problem was solved?
Community Outreach

Youth-focused activities

SUMMER CAMP IN A BOX!
Community Outreach

Public presentations

• NMS Webinar Series
• SAC meetings
• Staff presentations
Poll

Have you participated in any National Marine Sanctuaries Webinar Series?
Community Outreach

Get Into Your Sanctuary
July 31 - August 2

• Virtual events
• Photo contest
Question

How are you going to promote Get Into Your Sanctuary?

Write your answer in the question box or be a brave soul and raise your hand!
Community Outreach

Nautilus 2020
Visitor Services

Interpretive Programs

• Olympic Coast Discovery Center
• Partner displays and signs
• Cooperative Interpretive Programs
Staff and partner capacity building training

• How to Lead a Successful Distance Learning Program
• Best Practices for Accessible ONMS Products
• Best Practices for Making and Posting Short Videos
